Re: Water Commissioner Appointment

Dear Mr. Rasmussen:

You have been recommended by a majority of the water users of the Pot Creek Distribution System to serve as a water commissioner for the years 2010 thru 2013.

Therefore, in accordance with §73-5-1 Utah Code Annotated, this letter confirms your appointment as the Water Commissioner for the Pot Creek Distribution System. The term of your appointment will run from the distribution system's 2010 annual meeting to the 2014 annual meeting.

As Water Commissioner you are an agent of the State Engineer and are to assist him and his staff in fulfilling the responsibilities regarding the distribution of water in the State of Utah under §§ 73-5-3, 4, & 7 UCA. You are responsible to the State Engineer and his staff regarding the discharge of these duties. I would encourage you to become familiar with those rules, especially Section R655-15-7.

We look forward to working with you during these next four years and the staff of the Division of Water Rights is committed to helping you be successful in this appointment. You should contact the Division staff if you have any questions or concerns related to the water rights or the distribution and regulation of water on the Pot Creek Distribution System.
